1. Definitions

“ARTIST” means, Andreas Gysin, the digital artist who created the Work, and who is associated with the Gallery Account in which the Digital Property recording the Work originated.

“ASSOCIATED INFORMATION” means information, other than a Work, placed in the Bitmark Property System. The minimum Associated Information for a Digital Property containing a Work is this Agreement, the price or value (as defined below) for each transfer of the Work, and any commission due to the Artist for each transfer of the Work after the initial transfer to the first Collector.

“BITMARK CERTIFICATE” means a unique record created by the Bitmark Property System and containing a unique identifier associated with a Work in the Bitmark Property System.

“BITMARK PROPERTY SYSTEM” means a distributed, publicly available registry and ledger system which uses blockchain technology to allow holders of Gallery Accounts to create unique records (the Bitmark Certificate) to claim ownership of Works identified in the Bitmark Certificate.

“COLLECTOR” means a purchaser of the Work recorded in the Digital Property originating with the Artist, and who is associated with the Gallery Account to which such Digital Property has been transferred.

“DIGITAL PROPERTY” means a Work and Associated Information, recorded together within a Bitmark Certificate, in the Bitmark Property System.

“GALLERY ACCOUNT” means an account in the Bitmark Property System consisting of a public and private key pair, established through the Gallery Service. The public key is the “Gallery Account Number”.

“WORK” the specific copy of the digital artwork created by Artist and entitled POST 2, sold to Collector under the terms of this Agreement, and identified as part of a Digital Property together with this Agreement in the Bitmark Property System.

2. Purchase and sale

The Artist hereby sells to Collector and Collector hereby purchases the Work from Artist, subject to all the covenants herein set forth.

3. Future transfers

Collector covenants that in the event Collector shall hereafter sell, give, grant, barter, exchange, assign, transfer, convey or alienate the Work in any manner whatsoever or if the Work shall pass by inheritance or bequest or by operation of law, or if the Work shall be destroyed and insurance proceeds paid therefor, Collector or Collector’s personal representative shall:
(a) Record such event in the Bitmark Property System and, through the Bitmark Property System and any other contact method provided by the Artist, notify the Artist within thirty days of such transfer, distribution, or payment of insurance proceeds, and shall
(b) Pay a sum equal to ten percent (10%) of the Appreciated Value (as hereinafter defined), if any, occasioned by such transfer or distribution or payment of insurance proceeds to Artist within thirty days of such transfer, distribution, or payment of insurance proceeds. For editions issued after May 01, 2021, five percent (5%) of the Appreciated Value shall be transferred to Feral File for transactions executed with Feral File.

4. Price/value

The “price or value” used to calculate the Appreciated Value in each case shall be: (a) the actual selling price if the Work is sold for money; (b) the money value of the consideration if the Work is bartered or exchanged for a valuable consideration; or (c) the fair market value of the Work if it is transferred in any other manner. The “price or value” for the initial sale of the Work is USD $ 450.

5. Appreciated value

“Appreciated Value” of the Work for the purposes of this Agreement, shall be the increase, if any, in the value or price of the Work recorded in the Bitmark Property System over the price or value set forth in the last prior transfer (which may include the initial transfer to the first Collector) recorded in the Bitmark Property System. If a recordable event under Section 3 is not timely recorded in the Bitmark Property System, Appreciated Value shall nonetheless be computed as if such recordation had been timely completed, with a price or value set forth herein equal to the actual market value of the Work at the time of the current transfer or at the time of the discovery of such transfer.

6. Transferees to ratify agreement

Collector hereby covenants that they will not hereafter sell, give, grant, barter, exchange, assign, transfer, convey or alienate the Work in any manner whatsoever or permit the Work to pass by inheritance or bequest or by operation of law to any person without procuring such transferee’s ratification and affirmation of all the terms of this Agreement and transferee’s agreement to obtain a Gallery Account, to be bound hereby and to perform and fulfill all of the Collector’s covenants set forth herein, said ratification, affirmation and agreement to be evidenced by the recording in the Bitmark Property System of the transfer of the Digital Property identifying the Work and containing a copy of this Agreement.

(c) Artist’s failure timely to respond to Collector’s timely notice shall be deemed a waiver of Artist’s rights under this article, in respect to such exhibition and shall operate as a consent to such exhibition and to all details thereof of which Artist shall have been given timely notice.

9. Artist’s possession

Artist and Collector mutually covenant that Artist shall have the right, upon written notice and demand to Collector made not later than 120 days prior to the proposed shipping date therefor, to permit the display of the Work for one or more period not to exceed a total of sixty (60) days every five (5) years solely for the purpose of exhibition of the Work to the public at and by a public or non-profit institution, at no expense to Collector.
